FEATURED PERFORMING GUEST: GOTCHA!

Small Chorus and VLQ Contest

Calling all Rocky Mountain Members, Singers, Guests and Friends.

Fellow singers, we all know that singing our favorite chords is why we enjoy our hobby. Now, you can share that joy with your riser mates, your quartet buddies, and your afterglow sing-in-the-corner-until-dawn friends. Your spring convention this year will again include a Small Chorus and VLQ contest on Saturday afternoon. Dust off your favorite performing outfit, prepare two songs, and come to the Black Hills and ring some chords!

The performing group definitions:

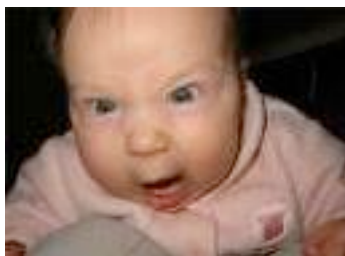

Small Chorus: A chapter with membership of 55 or less on December 31, 2009. The performing group is limited to 40 chapter members, plus a director.

VLQ: The rules were relaxed by the 2009 Spring House of Delegates. A VLQ is now defined as any group of between 5 and 16 society members, who perform two songs in the barbershop style.

Oh, did I mention the incentive? First place prize will be a \$500 donation to the winning chapter's Youth in Harmony fund (or designated chapter in the event of a VLQ winner).

Okay, now that you are coming to the Black Hills, please remember the early registration deadline which ends soon. Check out rmdsing.org for details.

This bulletin is being published to the chapter leaders. Men, please forward this bulletin to your entire chapter, and encourage everyone to participate. Every chapter is encouraged to send one or more groups to the convention.

AAARRRGGGHHH, TUNE THE CHORD!!
