Dear ROCKY MOUNTAIN DISTRICT Board of Directors and R M D Members

During the previous week a Surprise came to me via telephone and in-person visits from Barbershop friends. These friends were John Coffin, Tony Pranaitis, Jim Hutchison and Pierre de Prez, (a Quartet), who sang a few songs to me. It is So much fun to hear them sing Good Songs sung well! Dave Johnston and two wives came along to film and record the proceedings. When the Barbershoppers were confronted about this unusual visit, the Ceremony began with a reading by John Coffin stating the Desire of the RMD Board of Directors that I was being Inducted to the

RMD's HALL of FAME

Words cannot convey: my Disbelief, my Awe, my Astonishment, my Joy, my Wonderment, my Questions of Who, What, Where, Why, How, When in my many years of 'surreal enjoyment' among so many great Barbershoppers did anyone in this District notice me or my deeds ?

I accept this HONOR Humbly and Sincerely. I have been Blessed and I am proud of my Membership.

Thanks to the Board, and to every person in the Rocky Mountain District of the past through this date whom I have interacted with. Your Friendship, Fellowship and Fidelity are deeply appreciated,

Fred Wiese
