

Meet our Guest Quartet

Tenor: Brad Hine
Lead: Mark Schlinkert
Baritone: Mike Slamka
Bass: Jared Carlson

Boardwalk is one of the most sought-after show quartets today. A Barbershop Harmony Society quartet from Atlanta, GA, they attempt to re-create songs that combine great barbershop harmony with folk music and some instrumentation. The inspiration... music and fashion of the 1920's. Boardwalk preserves the music sung by such great quartets as The Midnight Oilers, The Suntones, Easternaires, The Mid States Four, Boston Common, and The Roaring '20s.

Message from the RMD

Greetings friends!

Thank you so much for attending and supporting this great event – Rocky Mountain Harmony College 2026 and Rocky Mountain District International Quartet Prelims! This event has grown in popularity and numbers over the last few years due to the vision of RMHC Dean and primary organizer, Adam Reimnitz and his team.

A few years ago our normal qualification contest in the Fall had been canceled due to COVID so RMD added the International Quartet Prelim contest on Friday night of RMHC as a way to ensure our district quartets had an opportunity to qualify. This was a way to enhance an already fun and valuable Rocky Mountain Harmony College.

The weekend is full of song, education, camaraderie, reunions, and friendship. The amazing judging panel goes above and beyond by also serving as faculty throughout the weekend. The judging panel along with guest quartet **Broadway** and additional faculty, makes this a **not-to-be-missed** event.

Enjoy this weekend and tell your friends about it. It gets better every year and the RMD is proud to produce these events for you.
